## **Successful Night College!**

**The RGNC is a night college that offers a complete higher education, with a focus on a liberal arts curriculum. We offer the best of both worlds - a quality education and an affordable tuition fee.**

*Features section:*

### **Earn your degree at night**

RGNC is the best one of the few Night Colleges in Mumbai to offer an evening college for working professionals who cannot go to school during the day. We understand that you need to work and can't devote time to your studies. For this reason, we offer all our courses after 6:30 PM, so you can excel both in your education and career.

### **Affiliation with MU**

Through our affiliation with University of Mumbai, we are able to provide students with access to Commerce and Arts courses offered by MU with affordable tuition fees. Moreover, we encourage our students to participate in extracurricular activities like kabaddi, other sports activities, dancing, singing, Plays etc. organised by University and other recognised State level bodies!

### **No more excuses**

We also understand that due to your busy schedule, it can be difficult for you to go out of town even during vacations. That's why RGNC offers its students the opportunity of completing their degree by studying at night! Go ahead and apply now - RGNC is waiting for you!
